

# YOU WANT TO CHANGE PEOPLE'S LIVES?

We at Motek do this every day.

With game-changing and innovative technologies that improve human movement therapy for millions of patients around the world. Join Motek and become a part of the global leader to define the therapy standards of tomorrow.

## PROJECT MANAGER – CONNECTED CARE

### ARE YOU INSPIRED BY...

- Managing new modules and product innovations of our innovative connected care software platform
- Taking a significant part in the successful implementation, planning and roll-out of this software platform
- Leading international projects with cross-functional teams of business, service, development and operation specialists
- Achieving project goals within constraints of budget, time, quality and strategic boundary conditions.
- Managing the involved risks and take corrective actions if the project runs out of your plan.
- Being part of a professional team that improves patient motivation and therapy outcome with our innovative connective care software platform

### WE MATCH WITH PERSONS WHO...

- Are open to new ideas and feel comfortable in a dynamic environment
- Have great analytic skills and think solution-oriented
- Can work independently and are able to familiarize themselves with new topics
- Have good social skills, and integrate well into a multicultural team
- Perform their tasks with passion, precision and curiosity

### YOU HAVE...

- A Master or Bachelor degree in a technical or life science field
- Around 2-3 years of experience in leading (international) multi-disciplinary product development projects.
- Preferably certified in Project Management and Agile methodologies

- Excellent stakeholder management skills – bridging conflicting interests with strong negotiation and interpersonal skills;
- Strong analytical skills and the ability to manage highly interrelated requirements
- Willingness to travel internationally (<10%), mostly in Europe

### WE OFFER YOU...

- A dynamic, challenging and innovative environment with great opportunities for you to explore
- Full-time employment
- Travel reimbursement, 50% pension contribution, and 25 days of vacation based on a full-time contract
- Opportunities to drive your career, such as training and coaching
- Company outings twice a year
- The opportunity to contribute to the technologies of tomorrow
- Healthy work-life balance

**Leading. Innovative.  
Reliable. Functional.  
Enabling. Passionate.**

That is what Motek stands for.  
What do you stand for?
